Dear Parish Priests, PPC Chairs and Synod Champions

Below is a list of links that will take you to online forms where you can report back on the outcomes of the pre-Synod listening groups that you have been running in your parishes. The deadline for parishes to report back on the outcomes of their listening groups is Monday 4 April. We will take two weeks to prepare a summary and discussion document for the pre-synod meeting itself, which takes place on the 29<sup>th</sup> and 30<sup>th</sup> of April.
